

Welcome Message from the Director, Sikkim Manipal Institute of Technology (SMIT)

I congratulate you for considering Sikkim Manipal Institute of Technology (SMIT) for your higher education.

Established in 1997, SMIT is a 34.34-acre residential campus spread across the valley of river Teesta in the beautiful foothills of the great Himalayas. It has been considered by many as one of the most beautiful college campus in the country.

At SMIT, it is our endeavor to achieve eminence in the field of quality technological education and research. Our dedicated team of faculty is committed to provide wholesome education to meet the intellectual aspirations of students and equip them with techno-managerial skills that will enable them to take their assigned role in the industry as thorough professionals.

We also aspire to inculcate all qualities which are essential to make our students contribute effectively to the advancement of the society. SMIT is the institute that gave the country its **first woman navy pilot, a Guinness world record holder mountain climber, a large number of successful startups and many corporate leaders**. Further SMIT enjoys a strong student placement record. Our students have been placed in well-known MNCs like Microsoft, FLSmidth, Wells Fargo, Amazon, ANZ, Dell, Nomura, JLL, Boston Scientific etc. to name a few through on campus recruitment.

I request you to go through the following links to know more about SMIT.

- [Institute Video](#)
- [Institute overview](#)
- [Placement statistics](#)

The institute has a state-of-the-art infrastructure including a world class indoor sports complex and an environment conducive to meet academic, extra- curricular and co-curricular aspirations of the students to enable them to be industry-ready once they graduate from the institute. Our innovation & incubation center funded by NITI Aayog, GoI is incubating currently over 20 startups. SMIT also has a robust research culture with a good number of faculty and staff actively engaged in research project and consultancy work from funding agencies like DRDO, AICTE, DST, ISRO etc. Till date SMIT has bagged research projects worth approximately Rs.20 Crores and consultancy work worth approximately Rs.90 lakhs.

I am also happy to inform you that India Today ranking 2020 has ranked SMIT 2nd best private college in East Zone. Similarly, in many other ranking surveys, SMIT has consistently ranked amongst the elite private technical institutes in the country.

We look forward for you to select Sikkim Manipal Institute of Technology (SMIT) as your destination for higher studies. We are sanguine that your stay with us will enable you to become a thorough professional in the technical field chosen by you.

With Best Wishes,

Prof (Dr.) Ashis Sharma

Director, SMIT Sikkim
