

Welcome Message from President Manipal University (MU) Jaipur

Manipal University (MU) Jaipur, a new generation University, is a multi-faculty, multidisciplinary University committed to nurturing talent and strengthening academics & research by adopting unique & innovative practices to continue to redefine academic excellence. It offers an amalgamation of courses at all level of UG, PG & Doctoral studies across diverse streams, including Engineering, Architecture, Design, Science, Management, Law, Commerce and Humanities etc.

With its mission, '*transforming young minds into competent professionals with good human values*', the university is dedicatedly working to expand the frontiers of knowledge through rich teaching-learning process and quality research. The University envisions nation building by nurturing budding engineers, technocrats, entrepreneurs, academicians, artists, designers, lawyers with a holistic and pragmatic development.

At MUJ, we have always been committed to create an environment which helps the young minds to blossom by providing a platform for individual thinking and holistic development of the student's personality. Continuous efforts are made to see that all round development of the students takes place. Young-spirited, industry experienced and qualified faculty members not only teach the subjects as per the course curricula but also make sure to build a strong foundation for the students.

Students of MUJ have been receiving job offers from prominent recruiters like Microsoft, Dell, Accenture, Capgemini, Philips, Mindtree, etc. with the highest and average packages offered in the year 2019-20 were Rs 42 lakh and Rs 6.02 lakh, respectively.

The University has the best infrastructure facilities and the **entire Wi-Fi enabled campus** has been awarded **GRIHA 5-star rating including hostels**. To foster practical knowledge, the university has state-of-the-art well-equipped laboratories with some of the laboratories established in collaboration with corporates like C-DAC, Bosch, Siemens, Rexroth, etc. The University also has a supercomputing facility with **PARAM-SHAVAK**.

Within a short span of eight and half years, the University has earned many golden feathers in the form of prestigious awards and accolades. Manipal University Jaipur is the First State Private University in Rajasthan to receive **A+ Grade with a score of 3.28 by NAAC**, '**Fourth among the Cleanest Higher Educational Institutions**' in the country under the category of 'University' by Swachhta Ranking 2019 (MHRD), '**Four Star Rating by MHRD (GoI)** for Promoting **Innovation and Start-Ups** in the campus, other accolades include- **59th amongst all Multi-Disciplinary Universities in India** by 'The Week – Hansa Research Survey 2020', **Sixth Rank in top 25 Young Universities** by 'Outlook ICARE Indian Universities Ranking -2019', **LEED INDIA PLATINUM** rating for Energy Conservation and Environment Design, etc.

I, on behalf of Manipal fraternity, invite you all, to be a part of exploratory journey into the astounding and astonishing world of Manipal University Jaipur

Dr. Gopalakrishna Prabhu

President, Manipal University (MU) Jaipur
